# The solution that combines convenience and efficiency

**Whatever kind of business you're in, if you send even a few hundred items of mail each month you could really benefit from having a folder inserter.**

From invoices to promotions, a folder inserter is just the job to precisely and professionally fold, insert and seal your mail items at the touch of a button. The Neopost DS-35 folder inserter is the ideal candidate for the job. Extremely user friendly, the DS-35 can free up valuable staff time to get on with more productive and profitable tasks, as well as bringing all these benefits to your business:-

- Process 1,350 items of mail an hour – 13 times faster than a member of staff can
- Help you make the most of the lowest Royal Mail rates by folding A4 items to fit into C5 or DL envelopes
- Boost sales by automatically adding offers and promotional materials into mail
- Easy operation via a full colour touch screen, plus 15 memory settings for quick and set up and operation
- Optional insert feeder for adding reply envelopes to your mail piece

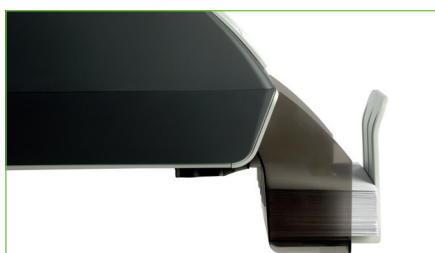

## A perfect combination of convenience and ease-of-use

The DS-35 is fully controlled from its new user interface, a modern colour touch screen with only two buttons. No more need for skilled operators – anyone can use it. Just load your documents and envelopes, and let the software guide you through adjusting the settings. Its 15-job memory enables you to store the settings for all your regular mail runs, allowing instant recall.

## The ideal assistant in any office environment

Combining ease-of-use and flexibility to save time and improve efficiency, the DS-35 is compact and silent enough to suit any office environment. The fold-away catch tray allows an even smaller footprint.

Easy to use  
Versatile  
Fully accessible  
Compact

## Neopost mailroom solutions

At Neopost our mission is to help businesses meet the increasing challenge of controlling costs and maximising productivity. Make your mail faster, cheaper and more efficient with Neopost, the UK's No.1 Supplier of Franking Machines and mailing solutions.

Automatic letter openers

Addressing systems

Franking machines

### Fully automated for an optimal mail flow

Perhaps you already have a Neopost franking system?

The DS-35 can be connected to your mailing system to automate your entire mail flow.

### A versatile workstation to fulfill your needs

The DS-35 can handle a wide range of documents, envelopes and even inserts or business reply envelopes. You can choose between four fold types according to your requirements.

The automatic cascade feed function rules out down time, thus optimising productivity. The manual feed function allows you to feed up to five sheets for each mailing project, stapled or not.

### Mail integrity and accuracy guaranteed

Neopost's double document control prevents double feeding. The system guarantees that you will always send the right document to the right recipient.

### Excellent accessibility keeps you up and running

With only one button to open the machine, there is quick and easy access to all parts of the folding area and paper path.

### DS-35 2 and 2.5 Stations

The DS-35 folder inserter is flexible, allowing you to purchase the machine that best fits your business needs.

## The solution that combines convenience and efficiency

### Environmental commitment

Neopost launched eco signature to identify the most efficient and environmentally friendly solutions. The signature reflects our aim to inform customers of the environmental progress we have made in recent years.

With the DS-35, we have achieved a great improvement on environmental impact.

The DS-35 is compliant with environmental regulations (Energy Related Product – stand by and off mode, REACH, ROHS, and WEEE).

**ENERGY:** During a working year the DS-35 consumes 7 times less energy due to automatic sleep mode and auto-off (0,3W).\*

**PACKAGING:** Improved carbon footprint due to reduced packaging volume.

### Customer and after sales service

Neopost ensures the best customer and after sales service in the world. Whether for advice or support, you will benefit from our commitment to supply first-class service – on the phone, on site or online.
